Dear Mr. Morss:

Here at last is your verification from CFOS. Sorry about the delay in writing to you, but circumstances have prevented an earlier reply.

Thank you for your report on our Special DX Program of December 2, 1946. Your report of reception from 4:04 a.m. to 4:23 a.m. E.S.T. December 2, 1946 is quite accurate and consequently I am happy to be able to verify your reception of CFOS.

We hope to hear from you again when our change-over from 1400 kcs. to 1470 kcs. goes into effect. We will be broadcasting another early morning program for all DX-ers when we change our frequency and increase our power to 1000 watts. Notification of the program will be made well in advance.

Wishing you the very best of DX, I remain,

Sincerely,

Radio Station CFOS
